

July 26, 2004

MEMORANDUM FOR: Management and Organization Division  
Office of the Chief Financial Officer/Chief  
Administrative Officer

FROM: Gary M. Carter  
Director, Office of Hydrologic Development

SUBJECT: Certification of Procedural Directive 80-701, River  
Forecast Center Development Management Process, Dated  
August 26, 2003

The Office of Hydrologic Development reviewed National Weather Service  
Procedural Directive 80-701, River Forecast Center Development  
Management Process, and certifies it is current and requires no  
updating during its FY 2004 annual review cycle.
